

Welcome to graphical-budget-planner !

It seems you are using this application for the first time, since one cannot detect any configuration file already installed. We hope you will enjoy the experience !

Getting Help

Use the "Help menu" to rapidly get access to :

- **Quick tutorial** : In 5 minutes, get a good idea of what it does
- **User Manual** : Explore the fine details of GBP in this fully detailed PDF document
- **List of changes** : See what's new for each version of GBP

Getting the source code or the binary

GBP is open-source free software. Visit GBP web site at :
https://codeberg.org/claude_dumas/gbp

Sending feedback

Do it through the web site mentioned above or send an email to :
